“ EN EL PAIS DE LAS MARAVILLAS”

“EN EL PAÍS DE LAS MARAVILLAS”

A show of magic and dance based on Lewis Carroll’s “Alice’s Adventures in Wonderland”. It is Alice’s birthday and, bored in the middle of her own party, she falls asleep. In her dream, Alice sets off on an incredible journey full of magic and music.

A fresh take on the classic tale, in which magic, music and dance invite you to dive into a world where fantasy takes centre stage.

An incredible show that young and old will enjoy alike.
